Psalm 107 v. 1 Oh Give thanks unto the Lord for he is good and his mercy endureth forever!

Praise the Lord! For the Lord is Good!

Dear Judge C. Honor O'Toole Jr.

I Bishop Hullum is writing you this letter in regard of my one & only son, Lance O'Neal Hullum who has been incarcerated for 16 long years for a crime he didn't commit & has been discriminated against & treated very badly while at Cedar Junction. They judge him by the crime & the charges that he is serving time for. They don't know whether he is Guilty or Innocent. But God know's. That Lance Att is reopens his case I am not please with you Dismiss his Amend Complaint. The world need to know what going on at MCT Walpole. I Pray each & every day that God will close Walpole State Prison. They treated these men very badly there. I am not going to rest until Lance case goes to the Boston Globe. Yours Submitted
 Bless. Bishop F. J. Hullum
